

Media Critical Analysis

How can you reliably find out about the causes of (and the responsibility for the outbreak of) World War One?

Comment on the strengths and weaknesses of each source; how reliable/trustworthy/authoritative is each source?

- 1 Your history teacher
- 2 A school history textbook
- 3 Articles in popular history magazines, like the one you have just read
- 4 A television programme (eg 1st episode of BBC's The Great War)
- 5 Wikipedia
- 6 Just Google it...
