A Zoo in Our House

Mum and I went to the zoo.
I said, Can we have a zoo in our house?
Certainly not, said Mum.

But ...

On Monday
a giraffe was eating
in the kitchen.

On Tuesday
a hippopotamus was splashing
in the bath.

On Wednesday
a monkey was swinging
in the hall.

On Thursday
a crocodile was washing
in the garden.

On Friday
a lion was sleeping
in the living room.

On Saturday
all the animals came
and we had a party.

On Sunday
Mum sent them all back to the zoo.
Phew, said Mum.
But ...
She forgot the gorilla.
