The Wishbone

Ray: We're going to have turkey sandwiches tomorrow. And we get this all carved off the bone here...

It's the day after Thanksgiving. Ray wants to make turkey sandwiches. And the children want the Wishbone.

Nathaniel: Eh, can I have the Wishbone?

Evan: No. Can I have the Wishbone?

Natalia: I want the Wishbone!

Ray: Guys, I'm sorry to discipline you. No one can have the Wishbone now...

Nathaniel: Oh come on. I want the Wishbone.

But the Wishbone has to dry. Maybe until Christmas? Oh no, the children want the Wishbone now.

Ray: ... get around, say, maybe Christmas.

Nathaniel: We have to wait till Christmas?!

Ray: I know, I know, it's a long time.

The Wishbone is here on the turkey's breast. It is very thin and has two ends. Here's the Wishbone. Nathaniel pulls on one end, Evan pulls on the other end..

Nathaniel: Yeah! Got it!

Nathaniel's the winner. He has the long end. His wishes will come true.
